

*Exploring Culture Through Cuisine*

# Experience A Taste of Thailand

9-Day Small Group Tour from Bangkok to Chiang Mai

Join us in Thailand, where the architecture and artistry are matched only by the friendliness of the people; where every flavor is more pleasing than the last; and where Buddhism binds the culture seamlessly.

Tangy, sweet, and peppery, Thailand's cuisine is pure art. Cook your way across Thailand as you explore markets and temples, enjoy exceptional meals, and visit an elephant sanctuary. At the end of each day relax in exquisite hotels in bustling Bangkok, ancient Chiang Mai, and Maekok, near the Golden Triangle.
